side shield: acrylic glass

color example 100|300|402

Item No.: 66039

[LxWxH]: 800 x 300 x 1278 mm
total weight: 69,6 kg

Top plate

[LxWxH]: 290 x 790 x 10 mm
material: safety glass or compact panel, 10 mm
weight: glass 12 kg or compact panel 7,5 kg

Top shield

[LxWxH]: 450 x 635 x 6 mm
material/table-top: safety glass, 6 mm
weight: 4,5 kg

Side shield (2x)

[LxWxH]: 200 x 250 x 70 mm
material/table-top: acrylic glass, 6 mm
weight: 0,5 kg

Housing

stainless steel 1.4301 whole construction
stainless steel 1.4416 on guest side and side left/
right (for covering with VENTA magnetic blinds)

Classification

DIN EN 1008-3
approved for the food industry

Warranty

1 year

Base

steel, powder-coated, profile 40 x 40 mm
4 x castor, available diameter
50 mm (Item No.: 66038)
65 mm (Item No.: 66039)
75 mm (Item No.: 66040)
(all castors with brake)

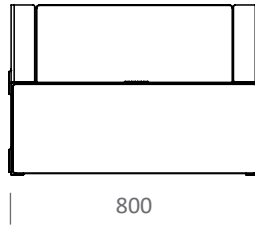

Technical data

speed controller: electronic with 4 levels, ebm EC motor,
connected load 110Watt
filter: plasma filter with 3 electrodes inside, including
carbon filter, easily replaceable
light: dimmable, LED, 8 W
connected value: total connected load at level 4 = 133 W
cable: separate cable with EU safety plug to be plugged
into the CEE socket strip (400V)
