

FRONTSHIELD

protect your buffet

Mount the transparent acrylic glass to your VENTA table and be protected from the corona virus by preventing the guests from touching food and dishes. A service employee behind the table arranges the guest's selection on a plate and serves the plate through the service gantry. Every FRONTSHIELD can be mounted with special clamps on the table base frame. The SIDESHIELD will be mounted on an already installed FRONTSHIELD. The material of the clamps is stainless steel with powder coating according to the color of the base frame. The shield itself is made in transparent acrylic glass.
