

SERVE

The modular Service Cart

With SERVE, VENTA is expanding its product line to include an elegant and modern service solution.

SERVE

Features

FEATURES 01

Blinds

The blinds are secured with magnets and can be easily stacked for storage. In this example Rail Low is used.

FEATURES 02

Shelves

Thanks to the grid pattern in the frame, the shelves and railing bars can be hung at various heights.

In this example Rail Low is used.

FEATURES 03

Rails

To make working on the tabletop easier, the side panels of the tall railing can be removed, rotated through 180°, and attached underneath the tabletop.

In this example Rail High is used.

FEATURES 04

Bottle and glass holder

5 different solutions to hold all bottle and glass variations and sizes in place. In this example Rail Low is used.
