

STAGE CHAFING-DISH

new
2019

Mobile buffet-table with openings to install built-in chafing-dish units.

The mobile buffet table STAGE_CHAFING-DISH consists of a metal frame on castors and a table top made of the material „compact panel / high pressure laminate“.

The idea is to integrate the CHAFING-DISH, often used in the hotel industry, into the table top and thus give the proven warming concept a more appealing appearance.

The table top is provided with openings, into each of which a 1/1 GN built-in Chafing dish can be inserted flush with the surface. When not in use, the openings can be completely closed with insert plates (included in delivery). The table top can thus be used as a practical storage area.

STAGE_50_XS_CHAFING-DISH_1

STAGE_50_M_CHAFING-DISH_2

Available in five dimensions/variations.

2 x depth 50 cm
3 x depth 80 cm

STAGE_80_XS_CHAFING-DISH_2

STAGE_80_M_CHAFING-DISH_4

CHAFING-DISH Buffet-Table

Buffet-Table with four openings to install CHAFING-DISH units, which are fully integrated in the table surface. VENTA recommend to use SPRING or WMF units as we designed a special magnetice holder to place the remote control direct under the table.
